

Membership

New members are welcome. Meetings are held on the 3rd Thursday of each month. Check the events page for location and times.

Antique Farm Days

70 S. Main St. Rocky Mount, VA. 24151

Membership Form

We would be very happy to have you as a member of Antique Farm Days. We have monthly meetings in Rocky Mount Virginia, periodic social events - swap meets in April & September, and the annual Antique Farm Days Show in June. We also have other events whenever we can schedule them with the club members. In order to understand what drives our club, our Mission Statement is shown below. Visit us at www.svapf.org for additional information.

The Mission of the Antique Farm Days organization is to restore and preserve farm machinery and implements that were used in the agriculture-based society of early Southwest Virginia. These efforts are directed toward educating the public and future generations, through displays and demonstrations, about the importance that early farm machinery played in shaping life in Franklin County and surrounding areas.

We hope that you join us in our endeavors and good times.
